COVID-19 POLICY UPDATE

Dear Calvary Church,

This week the CDC has released new recommendations regarding the current state of Covid-19. Along with the CDC guidelines and the new bill signed into office by Governor Youngkin (regarding masks as optional in schools). Your church board has approved the following revisions to our policy:

Beginning this Sunday, March 6th, we will shift from our current policy requiring masks for our CalvaryKids and CalvaryKids Volunteers, to “masks are recommended but not required”. As always, you are more than welcome and encouraged to continue wearing a mask if it makes you feel more comfortable!

We still recommend that if you are sick that you stay home and watch online. We encourage healthy hygiene habits in the frequency of washing hands and limiting the use of shared items. We will continue to provide seating in the sanctuary that allows for individuals to spread out as they see fit.

We want to thank you again as a church body for the way you all have handled the challenges over the past few years. I know many of you have responded with such grace and compassion and because of that, Calvary Church has not experienced any Covid-19 breakouts within our community of faith. For that we are grateful.

We look forward to seeing you and worshiping with you this Sunday!

Grace and Peace,

Pastor Matt and your Calvary Church Board
